

# Baltic Sea Region SUMP workshop in Tampere

## 15.3.2018

Join the Baltic Sea Region Workshop on SUMPs (Sustainable Urban Mobility Plan) organized by the European SUMP S-Up project in cooperation with the City of Tampere. The workshop will showcase different approaches to sustainable urban mobility planning from the Baltic Sea region through concrete case examples from cities.

**City of Tampere welcomes all participants to join the Reception in Tampere City Hall, 14.3.2018 at 19.00-20.30**

**Address:** Keskustori 10, Tampere
