## UBC Sustainable Cities Commission Meeting on Natura 2000 and Integrated Storm Water Management

**Dear Sir/Madam,**

It is our pleasure to invite you to the meeting of Union of the Baltic Cities (UBC) Sustainable Cities Commission which will be held on **12 – 14 October 2016** in Jelgava, Latvia.

The meeting will focus on **Natura 2000 sites** and **Integrated Storm Water Management** as current matters in today's urban planning. Both themes emphasize the importance of the green city areas and give food of thought considering the opportunities and challenges in creating a sustainable future for the cities of the Baltic Sea Region.

It is our pleasure to invite you to join your fellow colleagues from the Baltic Sea Region to disseminate good practices, learn and do some networking in a friendly atmosphere!

**We look forward to meeting you in Jelgava!**

Yours sincerely,
