

**You can't manage
what you don't
measure.**

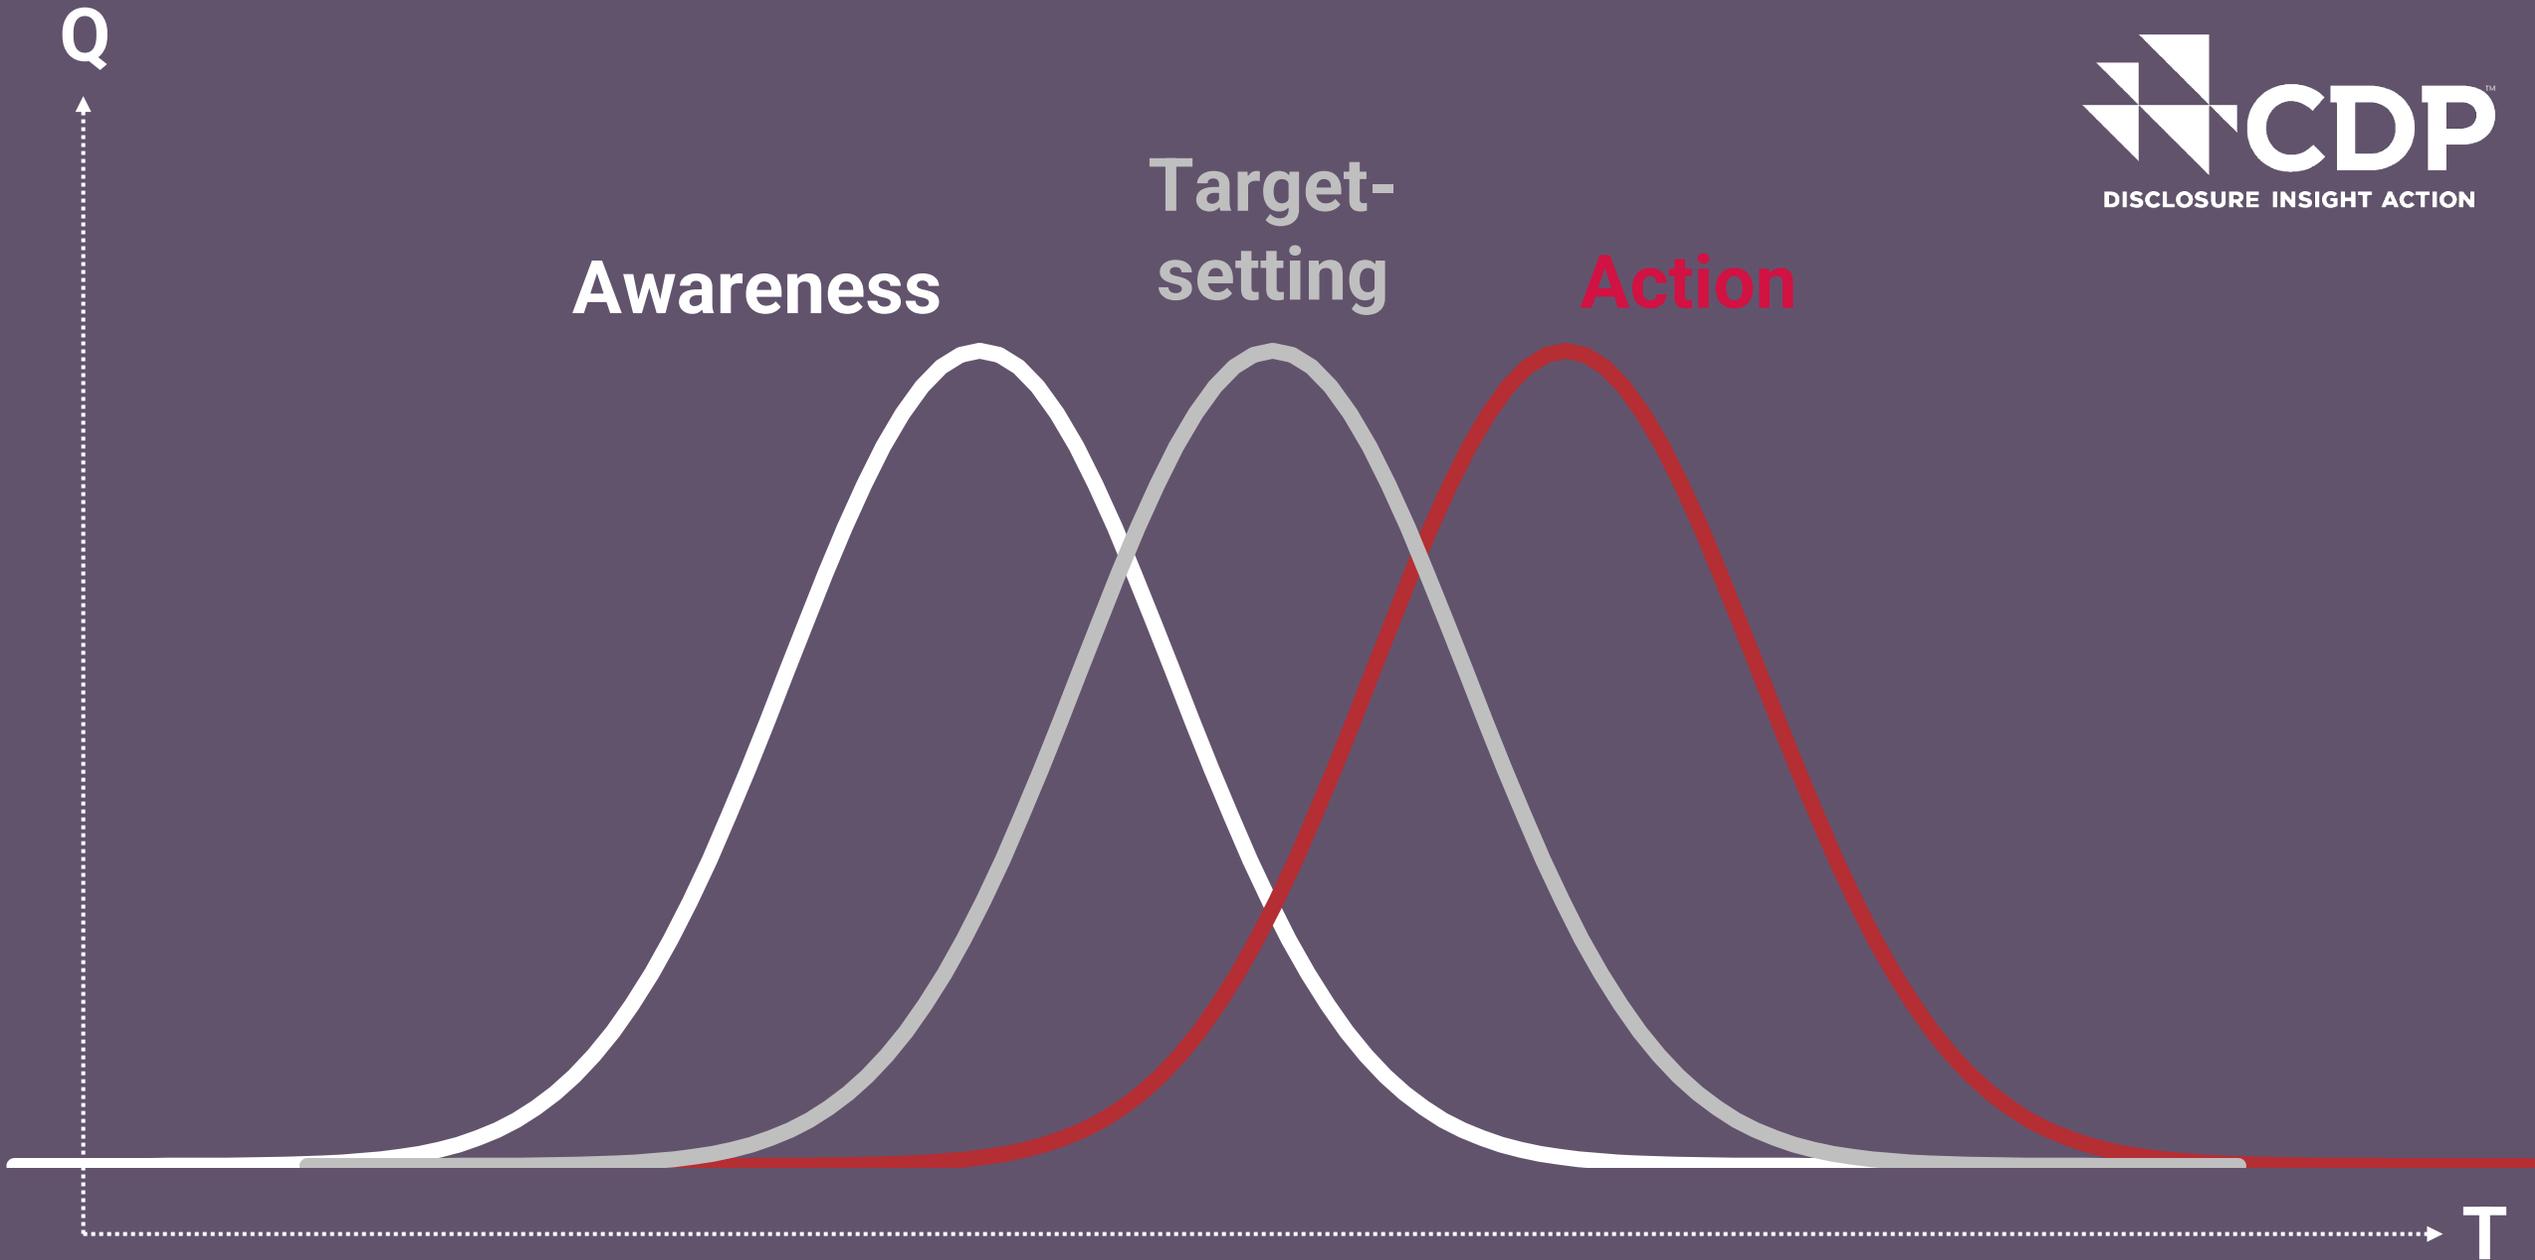

For the first year ever,
over 1,000 cities
have disclosed environmental
data through the CDP-ICLEI
Unified Reporting System

CDP's **7 essentials**

- **Climate risk and vulnerability assessment**
- **GHG emission inventory**
- **Climate action plan**
- **Climate adaptation plan**
- **Net-zero target (by 2050)**
- **Mid-term target aligned with 1.5°C**
- **Adaptation goal**

3/5 of the European
cities on the CDP “A” list are
Baltic cities
