

Workshop „Bio-based biodegradable plastics: impact on waste management frameworks“

Tuesday 3rd October 2023
Tallinn, Estonia

Venue: Room 125, Mektory building, Raja 15, Tallinn

- Agenda -

Time	Topic
9.30 – 10.00	Registration. Welcome coffee
10.00 – 10.10	Introduction of the Goals and Tasks of BIO-PLASTICS EUROPE
10.10 – 10.30	Changing the way we think about plastics <ul style="list-style-type: none"> • Bio-based biodegradable plastics: meaning and perspectives • Future trends in sustainable plastics and the circular economy (How certified compostable and soil-biodegradable biopolymers contribute to a circular economy) • Exploring the latest innovations in bio-based and biodegradable plastics
10:30 -11:00	Tallinn Municipality – sharing good practices in circular economy and plastics management
11.00 – 11.15	Coffee break
11.15 – 11.30	Current policy and legislation related to bio-based plastics
11.30 – 11:45	The Impact of biodegradable and compostable bio-based plastics on waste management technologies and systems (the most promising business cases)
11:45– 12:30	Group work: Barriers and motivators to integrate bio-based biodegradable plastic waste management in the present waste management frameworks
12:30 – 13:00	Presentation of Group work results/Discussion
13:00 – 13:30	Lunch
13:30 – 13:50	Funding opportunities for sustainable plastics and circular economy
13:50 – 14:00	Panel discussion and wrap-up. End of the workshop.

14:00 – 14:30 *Excursion in Mektory building (optional)*
