The background of the slide is a close-up photograph of several darts with silver-colored barrels and black flights, embedded in a dartboard. The dartboard is a dark blue color with a lighter blue bullseye in the center. The darts are arranged in a cluster, with some hitting the bullseye and others slightly off-center. The lighting is dramatic, highlighting the metallic texture of the dart barrels and the sharp points of the flights.

Our goals

Supporting transition

Towards greener and more resilient societies and economies

Supporting public authorities

In meeting needs of communities and companies etc.

Creating practical solutions

To challenges in the Baltic Sea region and for clearly defined users

Third call for Priority 1 and Priority 3

Core projects

Core changes for the region.

Develop a solution to a challenge,
and bring it to the people in the
Baltic Sea region.
