PRACTICALITIES | Climate Resilience Roadshow

Delivering climate resilience in Baltic Sea cities

25-26 November 2026 | Gdańsk, Poland

Traveling to Gdańsk

BY PLANE | **Gdańsk Lech Wałęsa Airport (GDN)** is the main international gateway to the city and offers direct connections to numerous destinations across the Baltic Sea Region, including major hubs such as Copenhagen, Stockholm, Helsinki, Riga, and Warsaw.

From the airport, participants can reach the city centre in approximately 30 minutes by regional train (PKM/SKM), taxi, or ride-sharing services, or bus No 210 (ca. 40 min trip).

For flight information and airport services, please visit: **https://www.airport.gdansk.pl/en**

BY TRAIN | Gdańsk is well connected to major Polish cities through high-speed and intercity rail services. The main railway station, Gdańsk Główny, is located close to the conference venue and the historic city centre.

For schedules and tickets: **https://www.intercity.pl/en**

BY FERRY | There are ferry connections between Sweden and Tri-City (Trójmiasto) metropolitan area. Ferry Karlskrona – Gdynia operated by Stena Line takes ca. 10 hours. Ferry Nynäshamn (Stockholm region) – Gdańsk operated by Polferries takes ca. 18 hours.

Event venue

Conference venue on 25-26 November: Haxo hall at the Hevelianum science center
Address: Gradowa 8, 80-802 Gdańsk (**on GoogleMaps**)

Located on the historic Góra Gradowa hill overlooking the city centre, Hevelianum is a unique science and cultural centre situated within former 19th-century fortifications.

The venue is within walking distance of Gdańsk Główny railway station and the Old Town. Please note that the final section of the path to Hevelianum building involves an uphill walk.

Site visits

Three parallel site visits are organised as part of the event for all participants to take part:

1. Regional Crisis Management Centre (Wojewódzkie Centrum Zarządzania Kryzysowego)
2. Clean Energy Port (Port Czystej Energii)
3. Gdansk Water Ltd. (Gdańskie Wody Sp. z o.o.)

Organisers send to all registered participants a separate registration form for picking the preferred site visit before the event.

Organisers will specify exact times and starting points for each site visit closer to the event.

Accommodation

The organisers have arranged a quota of rooms for the Roadshow participants in the **Hotel Mercure Gdańsk Stare Miasto**.

The hotel is located ca. 7 min walk from the main railway station Gdańsk Główny – and is in a walking distance (ca. 17 min) from the Hevelianum venue, which is located behind the railway station.

Address: Heweliusza 22 St. https://www.accorhotels.com/gb/hotel-3390-mercure-gdansk-stare-miasto/index.shtml (**on GoogleMaps**)

Special discount for event participants: 20% discount from the daily rate under the password "**ClimaResponse**". Please make the booking by contacting the hotel via email h3390-re@accor.com and mention the password.

This special discount is available for staying between 23-27 November 2026. All participants are responsible for arranging their own accommodation.

Language

The main event is organised in English. Organisers will supply supporting conference materials in Polish translation directly at the venue.

All site visits will provide the guidance in English and Polish language.

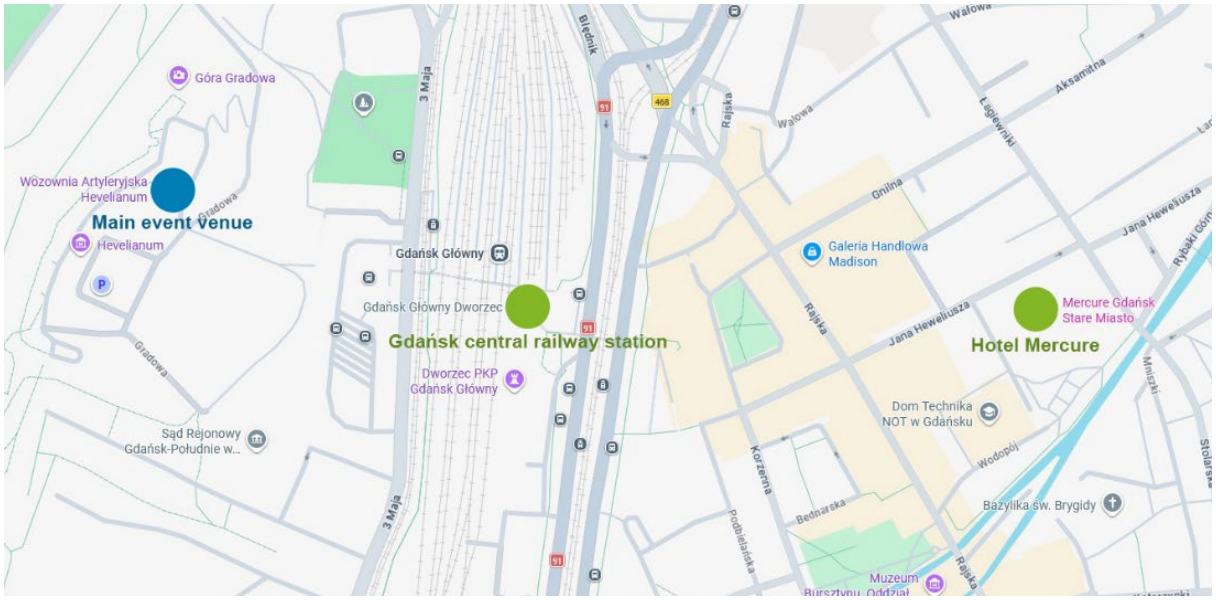

Registration

This event is especially relevant for representatives of local, regional and national authorities in the Baltic Sea Region, and for different expert or NGO organisations working with the topic of climate resilience, climate change adaptation, disaster risk reduction, and crisis management.

Registration form: https://www.lyyti.fi/reg/ClimateResilienceRoadshow

Registration deadline: 2 November 2026
